## Class Descriptions

**All-Star Sports:** Each week we will work on skills, drills, & play games for a multitude of sports.

**Art with Katia:** We will explore different mediums to create various art projects with our very own Cal State LB art student, Katia Swihart!

**Creative Spirit:** Creative spirit is a fun way to play group games and build a supportive community. Creative spirit focuses on the people playing and most importantly that they are having fun! It promotes safe and cooperative play.

**Creative Writing:** Students will receive a note book in which to keep their writing. Each week we will explore different types of writing through brainstorming, stories and poetry.

**Extended HW/Reading Supervision:** Extra time for your child to complete HW with staff supervision and assistance.

**Free Swim:** Each Thursday, send your child with a swimsuit, towel, sunscreen, and a bag for wet items. Flip flops and goggles are also recommended. Our lifeguards will conduct a swim test prior to pool entry to ensure safety.

**GaGa:** Also know as Israeli dodge ball and is one of the favorite activities for kids here at the JCC. We will learn and improve on skills and techniques to help each child become a GaGa Champion.

**Martial Arts with Sensei Mac:** Martial Arts training builds confidence and self-esteem while teaching self-discipline, respect, concentration and courtesy.

**Prep-Swim Team:** The perfect stepping stone to the more advanced Competitive Youth Swim Team. The goal of the program is to get kids ready for a swim team, Junior Lifeguard programs and/or water polo. Free Style, back stroke, butterfly and breast stroke are all taught and refined. Flip turns are introduced as well as dives and streamlined push-offs from the wall. Participants must be able to swim 25 yards freestyle with side breathing to qualify for Prep Team.

**Rock your Ruach w/ Shlomit:** We'll celebrate each week learning about different Jewish holidays and culture through stories, songs, crafts and more! Led by Shlomit Jackson, AJCC's Jewish Educator.

**Shabbat Club:** Crafts, cooking, story time, and other fun activities to celebrate Shabbat and Jewish holidays.

**Wii :** We'll exercise while having fun with all that Wii and Xbox Kinect has to offer!

**Youth Swim Team:** This is a competitive swim team, so all participants must tryout and be able to swim 25 yards with all 4 swim strokes. Membership in USA Swimming is required to compete in swim meets. Swim meet participation is optional, as swim meets have an added cost.
