ECE Fall 2016 Chugim Descriptions

Chugim
Special interest classes
for children 3½ to 5

Monday-Friday
1:00-2:30pm
August 29 – January 20

Monday

Aleph Bet

Learning to recognize the Hebrew alphabet through art, songs, and stories.

Picasso's Paintbrush

Through different media, the children will create masterpieces.

Tinker Lab (Pre-K only)

Together they will problem-solve, discover useful tools, test ideas, and enhance their creative side.

Wild About Animals

Everything from the king of the jungle to tree frogs, they will explore all aspects of the animal world.

Happy Hands, Learning to Sign

The children will explore the world of American Sign Language and learn how to communicate through signing.

Tuesday

Young Music Company

Nick will have the children dancing, singing, and moving to the beat. The children will also explore a variety of musical instruments, rhythm, and harmony.

Art Through the Ages

The children will create art, as seen throughout history using a variety of different media.

A to Z and All In Between

Let's discover the world of letter sounds through art, environment, and stories.

Sports Connection

Get in the game by learning and practicing different basic sports skills.

Grandma's Recipes

The children will mix, blend, and whip up culinary delights in this hands-on class, making recipes from scratch.

Wednesday

Gardening

The children will be digging, planting, weeding, and harvesting in our very own ECE gardens.

In a Land Far, Far Away

From pirates to unicorns, this class enhances the children's literacy skills and social emotional development through imaginary play. "Second star to the right and straight on till morning..."

Discover Fitness Fun

This JCCA designed program promotes physical fitness using moderate to vigorous physical activity, while also promoting healthy food choices and eating habits... all done through a "Jewish Lens!"

Mathletes (Pre-K only)

The children will acquire early math skills such as sorting, counting, learning shapes, and measuring- all through experiential, hands-on activities.

Happily Ever After

Adventure awaits as we use our imagination to create magical lands full of treasures and more.

A Word About Chugim

During class time the children will experience different activities related to the subject of the enrichment class. Different media may be used including multimedia (DVD and/or computer images). There may also be periods of interactive play to supplement the time determined by the needs of the children.

Thursday

Ooey-Gooey Fun

This is the ultimate tactile experience for children. They will create and play with lots of ooey-gooey items.

Eat the Alphabet

Each week the children will try foods and recipes that each focus on a new letter of the alphabet.

All Things That Go

From driving a car to flying a plane, each week the children will explore activities about different ways to go.

Spin Me a Tale (Pre-K only)

Explore literature through writing, reading, and illustrating, while creating a cooperative book.

Music with Maureen

Having fun with the basics of music-- singing, dancing, playing instruments, and learning about rhythms and different styles of music.

Friday

3-D Art

The children will have a fun time creating art which can stand on its own!

Imagination Station

Play acting or acting out plays, imagination is at the heart of the fun.

Science Fair

From physics to chemistry, the children will explore the wonderful world of science.

Me Time (Pre-K only)

Learning to relax our bodies through sensory awareness, reflecting on who we are, and refreshing our bodies through exercise.

Shabbat Around the World

Travel to far away locations and learn about Shabbat celebrations and food in other countries.
