

# AJCC Pre-Kindergarten Information Night

Monday, February 12, at 6 pm

This is your opportunity to learn all about our program and why it's a true investment in your child's future success! Hear about our teaching philosophy and how our Pre-K Program will prepare your child for kindergarten and far beyond.

Join us for a panel discussion with our ECE Director, ECE Assistant Director of Curriculum and Programs, Language Arts Teacher, Pre-K Teachers, and an amazing group of past and current parents.

Childcare, including dinner, will be available for \$10 per child. Preregistration is required for childcare. Must register by Thursday, February 8, so we are able to staff the evening as needed.

-----  
Tear off and turn in to the ECE Front Desk to reserve a spot for your child.
