

Line Dance 1 - Beginner Basics Class

For newcomers or for those that want to come back to dance after taking some time off. We will teach all basic steps and basic dances not to exceed 32 steps.

Line Dance 2 - Beginner /Easy Intermediate Class

SOME EXPERIENCE HELPFUL.

The Line Dance 2 class is for the long-term beginners that want some new dances and a little challenge. We will teach more difficult combinations of steps. Dances are from 32-64 counts.

Line Dance 3 - Intermediate Class

SOME EXPERIENCE NECESSARY.

The intermediate class is for the somewhat experienced Line Dancer. Students in this class will be expected to memorize longer dances and be able to turn frequently (there will be options offered for those not comfortable with turns). Dances will usually have 32 counts and some may contain 48 or 64 counts maximum.

Line Dance Party - All levels

Join us for a line dancing party! It is designed for both the beginning line dancer and those with some line dance experience. This party will feature dances taught in the instructional classes. This class features all dancing with minimal instruction.

Refreshments will be served!
