

Kochavim (Stars) Campers Grades 3-4

Hello Camp Komaroff Families!

Welcome to Camp Komaroff! We are so excited that you and your family are joining us. Our camp weeks run from **June 17th-August 16th**. **Every week, our Alpert JCC website will be updated with information for you and your camper at www.alpertjcc.org**. This information will include what your camper needs for the week and the exciting field trips that we are venturing out to. Below is a list of items that your camper needs in order to ensure a fun and safe time here at camp. Please make sure that you **label everything!** It is easier to find misplaced items when your child(ren)'s name are clearly on them.

- Sunscreen (please send your child with sunscreen on and we will remind them and help them to reapply throughout the day)
- Lunch (packed with an extra snack for the morning, we provide a healthy afternoon snack) On field trip days lunch will need to be 100% disposable; not in a lunch box.
- Water bottle
- Swimsuit, towel, flip flops or other pool shoes (the pool deck can be very hot!).
- Reusable bag (for swim gear)
- Closed toe shoes

Check in and morning circle takes place downstairs in our atrium. The atrium is located in the middle of the Alpert JCC, there will be signs to guide you there. Administration will be at check-in tables assisting you every morning for camp, we are wearing red shirts, you can't miss us! Pick up and closing circle will take place in the same area as check-in. Camp hours are 9a.m.-4p.m. unless you have chosen extended care for your child.

Kochavim campers swim every day and will swim on field trip days if time allows. Kochavim campers walk to **Stearns Park every Friday** with a **field trip every Wednesday**, returning to the Alpert JCC before closing circle which at 3:30p.m.

If you have any questions now or in the weeks to come, feel free to stop by our camp office upstairs M-F 7am-6pm or email us at camp@alpertsjcc.org. We look forward to an amazing summer! **Thank you for your support!**
